supersonic **r**

Electrical

Voltage/Frequency: 220-240V / 60Hz

Motor specification: Dyson Hyperdymium

Speed: 110,000 rpm

Wattage: 1700W

Ioniser: Negative ions to help reduce static in the hair

Cable length: 2.86 m

Operation

Airflow settings: 3

Heat settings: 4

Temperature: does not exceed 150 °C

Primary flow: 12.5 litres cubed/sec

Dry rate: 4.7 g/min

Sound Power: 78 dB

(A) Construction

Metal/Plastic

Logistics

Part number/SKU: 522266-01

Unit barcode: 5025155096642

Net weight: 0.847 kg

Packaged weight: 2.55 kg

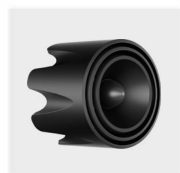

Packaged dimensions:

(H) 165 mm x (L) 395 mm x (W) 165 mm

Standard warranty

2 year warranty

Accessories

Powerful air attachment

Pro Concentrator

Diffuser

Flyaway attachment

Wide-tooth comb

Product

Vinca Blue/ Topaz
